Please join DeIDOT to discuss the Kent County TIDs, which are a tool to implement the South Frederica and Little Heaven Master Plans. Information at the meeting will summarize the South Frederica and Little Heaven Master Plans, define what a TID is and how it helps implement these Master Plans, as well as provide an in-depth discussion on the proposed TID roadway networks. It is important to us to receive feedback from the community on this information. For any questions or additional information please contact Sarah Coakley at Sarah.Coakley@Delaware.Gov
